Pre-Cautious Measures

January 2012

A Breakthrough in Cell Phone Safety
Protects your inner ear by blocking up
to 97% of electromagnetic radiation.

ReNew Life Wellness center now provides
the Wave Shield product line - protection for
cell phones, cordless phones, and
computers. These patented cushions
promote protection that can help reduce the
impact of electro-magnetic energy
threatening our health. They are lab-tested,
functional, easy to handle, and inexpensive.
Discover updates and scientific research
pertaining to mobile phone issues on
www.cprnews.com.

Features of the Wave Shield:

Sticks on all cell phones
Does not affect reception
Soft comfort cushion

Reduces harmful EM radiation from 50-97%
depending on the cell phone model.

Which Organic?

HealthKeepers Magazine has created two
lists you'll want to use when shopping for
fresh produce.

"The Dirty Dozen" list contains the top 12
fruits and vegetables you should buy
ORGANIC to avoid pesticide residue.

Apples Blueberries Potatoes
Celery Nectarines Spinach
Grapes Strawberries Lettuce
Peaches Bell Peppers Kale/collard

"The Clean Fifteen" list contains fruits and
vegetables with the lowest pesticide
residue.

Asparagus	Kiwi
Avocado	Mangoes
Cabbage	Mushrooms
Cantaloupe	Onion
Corn	Pineapples
Eggplant	Sweet Peas
Grapefruit	Sweet Potatoes
	Watermelon
